Mayor Kelly, CPD, and Community Partners to Announce Large Cash Reward to Help Solve Grove St. Shooting

CHATTANOOGA (Dec. 20, 2021) — Media are invited to learn about a partnership formed between community members, the City of Chattanooga, the Chattanooga Police Department and Crime Stoppers to offer a large cash reward for information leading to an **arrest and conviction** of those suspected responsible for a deadly shooting that occurred on Grove Street in late September.

WHO: Mayor Tim Kelly, Minister Kevin Muhammad, CPD Interim Chief Eric Tucker, CPD Detectives

WHAT: Announcement of a significant cash reward to help **arrest and convict** those suspected responsible for a shooting that occurred on September 25th, killing two women and injuring five others, on Grove Street in Chattanooga.

WHEN: Tuesday, December 21, 2021; 3:15 p.m.

WHERE: In front of Community Haven, 815 North Hickory St., Chattanooga TN 37404.

WHY: Detectives with CPD Violent Crimes Unit and victims' families have been pleading with community members who have *any* information about those responsible for a deadly shooting on Grove Street in September, to please come forward and help investigators make an arrest.

One of the most devastating and impactful gun-violence incidents in Chattanooga's recent history, September's Grove Street shooting has received widespread publicity and community visibility, but no arrests have yet been made as CPD Detectives need more corroborating information and cooperation from eyewitnesses that could help bring suspects to justice.

In partnership with community leaders and Crime Stoppers, Mayor Kelly and CPD leadership will announce a large cash reward for anyone who will come forward and provide information that can lead to an arrest and conviction in the Grove Street shooting.
